

# CURRICULUM VITAE

Dmitry KALEDIN

**Personal data:** Born in Moscow, USSR, December 15, 1969. Russian citizenship. Not married.

**Work mailing address:** Independent University of Moscow, B. Vlassievski per. 11, Moscow, Russia, 119002. Fax +7(495)291-6501.

**Home address:** Sumskey pr. 12-1-101, Moscow, Russia, 117208. Contact phone numbers:  
+7(499)610-3578,  
+7(916)189-7093.

**Education:**

- 1995 Ph.D. in Math. MIT, Cambridge, MA, USA.
- 1991 B.S. Moscow Institute of Physics and Technology.

**Positions:**

- 2002-present Steklov Mathematics Institute, Algebra Section, researcher.
- 1995-present Independent University of Moscow, Professor of Mathematics
- 1991-95 MIT, Cambridge, MA, USA, graduate student.

**Short-term and visiting positions:**

- 2009-2011 KIAS, Seoul; KIAS Scholar (2 months per year)
- Oct. 2007 - Mar. 2008 Tokyo University, Tokyo; visiting professor.
- Jan. 2007 - Mar. 2007 Northwestern University, Evanston; visiting professor.
- Oct. 1999 - Jan. 2000 Ecole Polytechnique, Paris; chargé de recherche.

**Selected conferences:**

- Aug. 2010, Hyderabad, India; ICM2010 – section talk
- Jul. 2008, Amsterdam; 5th European Congress of Mathematics — invited speaker
- Oct. 2007, Kinosaki, Japan; Yearly Symposium on Algebraic Geometry
- Jun. 2007, Goettingen; NATO Advanced Research Institute on Finite Fields — plenary speaker, co-organizer
- Nov. 2005, Sapporo, Hokkaido University; Conference on Symplectic varieties and related topics — plenary speaker.
- Aug. 2005, Seattle; AMS Summer Research Institute on Algebraic Geometry — invited speaker (three talks)

**Editorial boards:**

- Int. Math. Res. Notices – editor
- Kyoto Journal of Mathematics – editor

**Research interests:** Complex algebraic geometry, differential geometry, hyperkaehler and holomorphically symplectic manifolds, non-commutative geometry, Hodge theory, homological algebra, Topological Cyclic Homology and K-theory.
